

German Kalinsky trained as a composer and academic pianist in Argentina. He is a singer-songwriter, arranger and producer. His strong Jewish roots have led him to create popular music and plays including “Israel, the Musical”. He has served as part of the Shliach Tzibur service leaders in Sibra, Brazil, Westchester Reform Temple in New York, Beit Shira children’s project for the Jewish Agency for Israel and of course playing remotely for CKS’s own Kabbalat Shabbat and High Holy day services. We are thrilled to have German join us in person this year!
